

A NURSE LIKE NO OTHER

At Fresenius Medical Care NA, the difference you make is in the relationships you build with your patients. Because you're not just providing UltraCare® – our commitment to excellence – you're also an active part of helping patients achieve a healthier lifestyle through individualized care.

We are currently seeking candidates for the following position **Hurricane, WV** clinic:

Clinical Manager

As an experienced leader, you understand that the best patient outcomes are derived from nurturing employees with the skills and talent to deliver unsurpassed care. Expertise like this is one of your greatest assets, and demonstrates your ability to lead. You will set an outstanding example that others will follow, and inspire them with the encouragement and training they need.

Qualified candidates possess

- Excellent communications, customer service, decision-making and teambuilding skills, with a focus on continuous quality improvement
- Strong management/leadership skills
- A desire to work for the worldwide leader in dialysis care

All managers receive initial and ongoing training through our Center for Leadership and Professional Development.

Requirements

- Graduate of an accredited School of Nursing (R.N.).
- Current appropriate state licensure.
- Must have a minimum of 18 months experience caring for ESRD patients.

We offer a generous compensation and benefits package that includes medical and dental, 401K match, profit sharing, short and long-term disability, tuition reimbursement, and 5 weeks paid time off!
